Dear Ms. Goldin:

We have completed our review of your response submitted on behalf of *Clear Channel Broadcasting Licenses, Inc.*, licensee of the above-referenced stations, to the February 24, 2016 random audit letter sent to it in accordance with the provisions of 47 C.F.R. § 73.2080(f)(4) of the Commission's Equal Opportunity (EEO) rules. As a result of our review, we find that no further action is required. In accordance with § 73.3526(e)(10) of the Commission's rules for commercial stations, or § 73.3527(e)(11) for noncommercial stations, the licensee must place copies of this letter, our audit letter, and its audit response in the public inspection file of each station. The licensee must maintain these materials in the files until the next grant of the renewal application, by final order, of the license for the station to which the file pertains.

2.

Should you have any questions regarding this matter, you may call the EEO staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
